RE: 43 North Tree Removal Approval Request

Mr. Tolloff

We are in receipt of your request for approval to remove 2 dead trees greater than 4 inches in diameter from the rear portion of your property on Lot 22 in the 43 North neighborhood. After review of your proposed removal we are granting approval of your request based on the following conditions.

1) Per the 43 North Bylaws Section 6.2.3 allows for removal of trees 4 inches or greater with prior approval from the Developer.
2) The request is deemed to be a reasonable fit for this section. This approval is granted based on the visual inspection of the Developer/Association, and on the provided quote noting the dead nature of the trees from a licensed tree service.

This approval letter satisfies the prior Developer approval and allows the home owner to move forward with the proposed tree removal. If there are any questions or further needs please let us know. I can be reached at jklaasen@jimtibbehomes.com or 616.633.8317

Thank you,

Jeff Klaasen
Wolven Investments LLC as Developer for 43 North

Subject: Dead tree removal

Oops. I sent you this but forgot to include my info. We are in 43North. I think it is lot 22. Our address is 3352 Thorntons Ct.
Thanks again and we will await approval before scheduling removal.

Hello again,
After speaking with you this morning I found our estimate from the fall that states we have 2 dead trees we got quoted for removal. I also attached pics. The pictures don't show well, but one has most of the bark falling off and the other is constantly dropping it's dead branches when the wind blows.
