Dear Richard and Jennifer:

I wanted to follow up with you in regards to the Annual Association Dues letter that was sent out a few weeks ago. The letter you received referenced an amount of $550 for the year. This amount should have been $500 for the year as the additional $50 was inadvertently added to your amount. When making your Annual Dues payment please use the $500 amount. This payment can be sent to:

Sincerely,

Jeff Klaasen
