43 North Condominium Association
3115 Railway Dr.
Byron Center, MI 49315

Dear Kevin:

Thank you for the prompt attention to the Annual Association Dues, we appreciate it. The amount of $500 for the year was inadvertently missing the additional $50 annual cost to be assessed to your lot for the cost sharing of the electrical charges for the irrigation well pump located in the common area landscaping. If you could send the additional payment at your convenience to the address below, I would greatly appreciate it.

43 North Condominium Association
